CREDITS: Credit for 8 hours of classroom, 6 hours of one on one behind the wheel training, and certificate of completion of Driver's Education Course.

COURSE DESCRIPTION:

Introduction to the motor vehicle, and the reviewing of the traffic laws governing the movement of motor vehicles on the highways of South Carolina. Theories and the application of the driving task, with the goal of driver improvement.

PRIMARY COURSE OBJECTIVES:

Provide an educational atmosphere and an opportunity for learning which will enhance the beginning driver's knowledge both in the classroom and behind the wheel to become safe and responsible drivers.

OBJECTIVES:

The student will be able to:

- (1) Be familiar with the operation of the motor vehicle
- (2) Understand a general knowledge of traffic laws governing the safe movement of motor vehicles
- (3) Identify poor decisions / choices in the operation of motor vehicles
- (4) Demonstrate a level of proficiency behind the wheel
- (5) Identify driver problems (crash, violations, and unsafe driving practices)
- (6) Adequately discuss the role of a driver on the highways

Safe skills are developed during PRACTICE sessions under parent supervision and the instructor's supervision. SC State Law requires the parent or legal guardian to provide a minimum of 40 hours of driving practice, (including 10 hours during darkness) in addition to the 8 hours of classroom and 6 hours of behind the wheel with driving instructor. Please provide some time between sessions for your child to practice the skills taught.

The Parents and Student hereby fully and completely release the school and agents thereof, from any liability whatsoever and from any and all claims beyond the or causes of action during this course or any extension thereof, to the extent that such a claim shall not be covered by the School's insurance coverage. Parents and Students hereby agree to indemnify and hold the School harmless from any claim made against it for any damage or injury suffered by any person, company, or other entity, growing out of the Students operation of a School vehicle, or as a result of the Students course of instructions, to the extent that such a claim is not covered by school's insurance coverage.
